Lagoon has succeeded beautifully in developing a new 450 catamaran to replace the famous Lagoon 440 (with more than 400 units sold!) Of course, the irreplaceable qualities of the Lagoon 440 have been retained as a starting point: a steering station on the fly bridge accessible from both sides of the cockpit, a forward cockpit, performance under sail ... and an incomparable comfort in the saloon and the cabins. Larger and with a bigger sail area, the Lagoon 450 benefits from important improvements in terms of safety, performance and cruising comfort. Yanmar 4JH diesels with low hours.
